This year's weekly challenge activity is called *Live Your Faith*. Students are challenged to become more involved in their faith by attending Mass, church events, church meals, and Youth Group as well as volunteering in the community. Students can pick up a form in the entry of the school or church to document their activities each week. Returned forms will be placed in a box for our monthly prize drawing. Please help and encourage your children to become more involved this year!

If you have any questions or concerns, please feel free to contact me.
