St. Johns CCD families,

CCD Classes will begin on September 16th this year. As in the past, classes will run from 6:30 to 7:30 on Wednesday evening. Please do not bring your student(s) before 6:20, as our teachers will be preparing at this time. When students do arrive, we ask that they wear a mask and go directly to their classroom.

If your student is ill and/or running a temperature, we ask that you keep them home from CCD for the evening. In addition, please call or text me if your student will be absent for any reason. (home 715-568-5111 or cell 715-829-2176) This will help us track health concerns throughout the year.

Each evening, as students enter the school, they will be asked to sanitize their hands before going to their rooms. Sanitizer will also be available in each classroom for use as needed. Desks have been spaced out in classrooms to allow for social distancing. Students will not be sharing supplies during class. At the end of class, students will be dismissed by classroom, to allow for distancing when leaving the building. After class each night, teachers will be cleaning and sanitizing classrooms.

On the first night of class, there will be a sign posted on the schoolhouse door, reminding students where their class will be meeting this year. Some classroom locations have been changed to allow for social distancing. A few of our classes will be meeting in the church, as well as the unoccupied priest house.

**I am asking that you talk to your student(s) about where their class will be, to eliminate confusion on the first night. If you have older children, please ask them to help younger siblings find their classroom. Thanks for your help!
